FAQ

1) Can you combine a lot of sorting?ED objects in a container in my first order?

Yes we can. But the amount of every orderly object should reach our MOQ.

2) If a quality problem, how can you fix it for us?

If you download the container, you have to inspect the entire load. If fraction or defects have been founded, you must take the pictures from the original box. All inquiries must be submitted within 15 working days after downloading the container. This date is subject to the arrival time of the container.

3) Why do you choose?

1. We have extensive experience on the glassware market for more than **20 years** And the most professional team.
2. We have 10 production lines and can produce 15 million parts per month. We have strict processes to maintain an acceptance rate of more than 99%.
3. We work with more than 1800 customers in about 80 countries.
4. We offer professional professional logistics service.

4) Can we get your free pattern?

Yes you can. Our **The rehearsals are free** For customers who confirm the order. But Transport to Express is in the buyer's account.

5) And your MOQ?

Several types of products will be different MOQs. For some glasses that are in stock, small orders are acceptable.

6) How many people in their research and development department?

We have 5 specialists and develop 15 monthly innovative projects.

7) Can you give me a discount on the price?

The price depends on your amount. If you want a good price with a small order, you can create more quantity at the same time and leave you in our warehouse, we will keep the products for you until you need.

We look forward to your inquiry and cooperation.
