The body of the tank is inspired by the ginkgo leaf, and the designer has perfected the shape of the ginkgo leaf through the delicate process. Each ginkgo leaf has a clear vein, and the slightly curled edges seem to tell the story of autumn.

The bottom of the jar has a shimmered gold design that contrasts with the fresh nature of ginkgo leaves, yet blends perfectly. The golden luster is like sunshine on the water, dazzling, adding a luxury and noble temperament to the whole candle jar. This gold not only has a strong visual impact, but also after special treatment, it is not easy to fade, and always maintains a bright color, making your candle jar an enduring home decoration boutique.

This ginkgo leaf golden bottom ceramic candle jar is perfect for any home setting. It is not only a candle jar, but also an ornament that can enhance the overall style of the home and make your home full of romance and art.

Our Clients

Sunny Glassware is dedicated to quality and design

Recently, Hale, a customer from the United States, encountered Sunny Glassware while looking for a supplier of glass candle holder. Through Google search, he learned that Sunny Glassware has a 20-year history of glass products and exports various products to more than 30 countries and regions. After receiving the glass candle holder samples provided by Sunny Glassware, although the first attempt did not fully meet his expectations, the professionalism and positive response attitude shown by the Sunny Glassware team made him see the hope of cooperation.

Facing Hale's personalized needs, the Sunny Glassware team acted quickly, communicated closely with Hale, and made multiple adjustments and optimizations to the design of the glass candle holder. After several rounds of revisions and improvements, the final design plan finally won Hale's approval, and the two parties successfully reached a production cooperation intention.

When Hale received the final sample, he praised the quality and design of Sunny Glassware glass candle holder. Sunny Glassware award-winning designer team has won the trust of NEST, and it is difficult to find a second comparable company in China. It is this unremitting pursuit of quality and unique understanding of design that makes Sunny Glassware stand out from many competitors and become a leader in the industry.

With the exquisite craftsmanship and excellent quality of Sunny Glassware, customer Hale's glass candle holder products have gained extremely high recognition and reputation in the market. He then placed a large order with Sunny Glassware to meet the needs of more consumers.

[Sunny Glassware](#) will continue to uphold the value of "struggling for full quality and design", always put customer needs first, continue to innovate and strive for excellence, and bring a unique glass product experience to global consumers.

FAQ

1) Can you combine many items assorted in one container in my first order?

Yes, we can. But the quantity of each ordered item should reach our MOQ.

2) If any quality problem, how can you settle it for us?

When discharging the container, you need to inspect all the cargo. If any breakage or defect products were founded, you must take the pictures from the original carton. All the claims must be presented within 15 working days after discharging the container. This date is subject to the arrival time of container.

3) why you choose us?

1. We have rich experiences in glassware trade for more than **20+ years** and the most professional team.
2. We have 10 production line and can manufacture 15 million pieces per month, we have strict processes enable us to maintain an acceptance rate above 99% .
3. We work with more than 1800 clients in about 80 countries.
4. We offer professional one-stop world-wide logistics service.

4) Can we get your free samples?

Yes, you can. Our **Samples are free** for the customers who confirm order. But the freight for express is on buyer's account.

5) How about your MOQ?

Different kind products will be different MOQ, for some glassware in stock, small orders are acceptable.

6) How many people in your R&D department?

We have 5 professional designers, and they will develop 15 innovative designs monthly.

7) Can you give me a discount about the price?

The price depends on your quantity, if you want good price with small order, you can make more quantity in one time, and leave them in our warehouse, we will keep the goods for

you until you need.

We are looking forward to your inquiry and cooperation.
