## FAQ

---

### **1) Can you combine many items in one container in my first level?**

We can. But the quantity of each ordered item should reach our order.

### **2) If there are any quality problems, how can you solve it for us?**

When draining the container, you need to inspect all cargo. If any damaged or defective product is built, photos must be taken from the original carton. All claims must be made within 15 working days of discharge of the container. This date requires the arrival time of the container.

### **3) Why choose us?**

1. We have rich experience in glassware trading **20 years** and the most professional team.
2. We have 10 production lines that can produce 15 million pieces per month, and we have strict processes that enable us to keep the acceptance rate above 99%.
3. We work with more than 1800 customers in about 80 countries/regions.
4. We provide professional one-stop global logistics services.

### **4) Can we get your free samples?**

Yes you can. our **Samples are free** For customers who confirm their order. But Express goods are on the buyer's account.

### **5) How is your order?**

Different types of products will be in different quantities, and for certain stocked glassware, small orders are acceptable.

### **6) How many people are there in your R&D department?**

We have 5 professional designers who will develop 15 innovative designs every month.

### **7) Can you give me a price discount?**

The price depends on your quantity, if you want smaller order price, you can make more quantity at one time and then leave them in our warehouse, we will keep the goods for you until you need them.

**We look forward to your inquiries and cooperation.**
